## solution.

# Design and Construction Professional Indemnity Addendum

### **Important notice**

- This Addendum (and any attachments) form part of the Proposal.
- Please answer all questions in full. Where appropriate, please tick the yes or no box that best indicates the Insured's reply.
- If there is insufficient space, please provide further details on the Insured's letterhead.

#### **Insured details**

Insured Name:

Please advise the Insured's turnover and fees, and the average fees earned from design and professional services as a percentage of overall turnover and fees.

Please note that the term "full technical supervision" does not refer to supervision of construction, erection or installation.

|     |   | Last<br>financial<br>year \$ | Current<br>financial year<br>(est) \$ | % of fees earned<br>from design and<br>professional<br>services |
|-----|---|------------------------------|---------------------------------------|---|
| a.  | Turnover where the Insured designs and constructs from their own design and provides full technical supervision   |                              |                                       |   |
| b.  | Turnover where the Insured designs and constructs<br>and provides full technical supervision from designs<br>by subcontractors appointed by the Insured                     |                              |                                       |   |
| C.  | Fees earned where the Insured provides only design<br>services and/or technical supervision (the Insured<br>are not undertaking construction works)                         |                              |                                       |   |
| d.  | Turnover and/or fees earned (please indicate)<br>where the Insured provides any other professional<br>services not specified above - please provide<br>details in box below |                              |                                       |   |
| e.  | Turnover where the Insured has work with no<br>professional services (e.g. construction only activities)<br>not covered by the Proposed policy - please provide<br>details  |                              |                                       |   |
| Tot | al turnover   |                              |                                       |   |
| Tot | cal fees  |                              |                                       |   |
|     | Has any Partner/Principal/Director of the Insured ever be<br>been a Partner/Principal/Director in a construction com<br>administration or become insolvent?                 |                              | •                                     | Yes No  |
| 2.  | For each of the last two years has the Insured:   |                              |                                       |   |

| a. | Returned a trading profit?                              | Yes | No |
|----|---|-----|----|
| b. | Had a positive net cash flow from operating activities? | Yes | No |

- 3. Please provide number of professionally qualified staff:
- 4. Please list the current professional associations the Insured belongs to:

- 5. Have there been any substantial changes or have there been any contract types Yes No which the Insured has not undertaken before, and are anticipated in the next 12 months?
- 6. Where the Insured engages consultants/subcontractors to provide any Professional Services:
  - a. What Professional Services are typically subcontracted out?

|    | b. | Does the Insured enter into "back to back" contracts with the consultants/<br>subcontractors they engage in respect of design engineering requirements/<br>specifications they assume within head design and construction contracts? | Yes | No |
|----|----|--|-----|----|
|    | C. | Does the Insured insist that each consultant/subcontractor carries their own<br>Professional Indemnity and General Liability insurance?  | Yes | No |
|    | d. | Does the Insured obtain and keep on file an up to date Certificate of Currency for each type of insurance mentioned above?   | Yes | No |
| 7. |    | s the Insured given consideration to potential insolvency or administration<br>ncerns?   | Yes | No |

Please provide details on what financial due diligence the Insured performs on consultants, subcontractors and suppliers:

| 8.  | Ho  | w many current customers is the Insured undertaking contracts for?   |     |    |
|-----|-----|--|-----|----|
| 9.  |     | all non-standard contracts (including those with clients, consultants, consultants, contractors and suppliers) legally reviewed prior to signing?                            | Yes | No |
| 10. |     | the scope of services to be performed always clearly set out in the contract or<br>ns of engagement?   | Yes | No |
| 11. | Doe | es the Insured limit its liability in contracts with clients?  | Yes | No |
| 12. | Doe | es the Insured sign contracts where liability is accepted for consequential losses?  | Yes | No |
| 13. | Doe | es the Insured hold ISO or any third party accreditation for:  |     |    |
|     | a.  | Occupational health and safety management systems  | Yes | No |
|     | b.  | Quality management systems   | Yes | No |
|     | C.  | Environmental management systems   | Yes | No |
| 14. |     | es the Insured have formal processes and procedures in place to identify and ort incidents or facts which might give rise to a professional indemnity claim?                 | Yes | No |
| 15. |     | er enquiry of the Partners/Principals/Directors and employees, is the Insured or any<br>tner/Principal/Director aware of any current project or contract that is subject to: |     |    |
|     | a.  | Any material delay in progress or completion?  | Yes | No |
|     | b.  | Any material cost overrun or adverse deviation from the project budget?  | Yes | No |

#### 16. Please provide details of the Insured's own contract works/material damage & general liability policies:

|      | Insurer   | Policy Number           | Limit                | Retention  | Policy Po | eriod |
|------|---|-------------------------|----------------------|------------|--|-------|
|      |   |                         |                      |            |  |       |
|      |   |                         |                      |            |  |       |
|      |   |                         |                      |            |  |       |
|      |   |                         |                      |            |  |       |
|      |   |                         |                      |            |  |       |
|      |   |                         |                      |            |  |       |
|      |   |                         |                      |            |  |       |
|      |   |                         |                      |            |  |       |
|      |   |                         |                      |            |  |       |
|      | Are projects under procureme<br>construction delays, supply cl<br>delays, increased funding nee   | nain failure, contractu | ual remedies to ease |            | Yes  | No    |
|      | Do any projects under procur<br>claims for extensions or unexe                                    |                         | -                    | esolved    | Yes  | No    |
|      | <b>ES</b> , please provide details:   | -                       |                      |            |  |       |
|      | Is there a detailed business co<br>project?<br><b>O</b> , please explain:                         | ontinuity plan and cris | sis management pla   | n for each | Yes  | No    |
|      | Is all fire safety system design<br>contractors (e.g. fire engineer<br><b>0</b> , please explain: |                         | ion performed by sp  | ecialist   | Yes  | No    |
|      |   |                         |                      |            |  |       |
| 21.  | Are fire safety systems always  | certified by on-site i  | nspection?           |            | Yes  | No    |
| lf N | <b>O</b> , please explain:  |                         |                      |            |  |       |

22. Is a comprehensive building manual always provided to building owners at project completion including as-built construction documentation, fire safety system details including fire safety system maintenance requirements, and names of all engaged building practitioners and certifiers?

No

Yes

#### If NO, please explain:

23. Please provide an approximate percentage breakdown of the Insured's turnover and fee income from design and other professional services in the following areas.

Please note: Total of percentages entered in a.-d. must add up to a total of 100% for all sections combined a.

| Engineering disciplines                            | Percentage breakdown % |
|--|------------------------|
| Acoustic engineering                               |                        |
| Chemical engineering                               |                        |
| Civil engineering                                  |                        |
| Drafting   |                        |
| Electrical engineering                             |                        |
| - Process & control systems design                 |                        |
| Environmental engineering                          |                        |
| Geotechnical engineering                           |                        |
| Heating, ventilation, air conditioning engineering |                        |
| Hydraulic engineering                              |                        |
| Industrial engineering/design                      |                        |

|                              |                |                  | / /                          |  |

#### Further declaration to the proposal after inquiry

#### Signing this Addendum does not bind Solution or any insurer to enter into an insurance contract.

After making full and appropriate enquiries, I declare that:

- I am authorised on behalf of the prospective Insured(s) to complete this Addendum
- I have read and understood the Important Information section of the Proposal form
- Where I have provided information about another individual, I declare that the individual has been made aware of that fact and of the Solution Underwriting Agency Pty Ltd Privacy Statement
- I confirm that the statements and information in this Addendum are true and complete
- I understand all information requested in the Addendum is material
- I provide consent consistent with the Privacy Statement outlined in the Important Information section of the Proposal Form
- I understand that, until a contract of insurance is entered into, I am under a continuing obligation to immediately inform Solution Underwriting Agency Pty Ltd of any change to the information contained in this Addendum
- I acknowledge that, if a contract of insurance is entered into, the Proposal, this Addendum and any accompanying documents will form the basis of the contract

#### To be signed by the Insured for whom this insurance is intended for
