

Solution ONE

Fact Sheet

solution.

For insurance brokers looking to enhance their offering and increase the value of their services, Solution is a specialist underwriting agency that exceeds expectations.

Working across financial lines, general liability and accident and health, unlike other providers, we embrace a holistic approach to what we do, delivering results that can't be achieved through a one-dimensional approach to underwriting.

Our industry expertise, quality products and longstanding commitment to service excellence, are amplified by our ability to understand the bigger picture.

Solution ONE

A straightforward policy that combines professional indemnity, general liability and management liability insurance for SME businesses providing professional services. The product is professional indemnity (PI) lead and offers the ease and comfort of a composite wording for clients who prefer their insurance bundled with one insurer.

Target Market

On a miscellaneous wording, our appetite extends to most industries including SME design and construct (D&C), engineers and consultancy risks.

	Landscape designers	Real estate agents (sales)
NDIS service providers	Interior designers	Management consultants
Accountants	Marketing consultants	Draftspersons
Bookkeepers	Advertising consultants	Project managers (projects <\$10M)
Traffic planners	Graphic designers	Miscellaneous professional consultants

Unable to quote: valuers, mortgage/finance brokers, financial planners, corporate advisory, and building surveyors/fire engineers

**Target occupations may change. Visit our [website](#) for the up to date list.*

Limits Available

Minimum \$1,000,000

Maximum \$10,000,000 (\$5,000,000 for engineers and D&C only)

Where full primary limits don't meet the client's requirements, we have PI excess layer capabilities.
