Solution launches **Solution Assistance App** for all Corporate Travel policy holders

We're excited to announce the launch of our brand-new Solution Assistance app which is available right now for **FREE** at the App Store and Google Play.

The Solution Assistance app has helpful features including:

- Emergency Contact: 24 Hour Emergency Assistance details - from the app travellers will be able reserve charge call for assistance if they experience an Emergency whilst on a journey.
- Access to useful travel websites such as DFAT, Smart Traveller and Consular Contacts
- The App has a Travel Wallet Checklist where clients take a photo of their important travel documents and can load onto the app for easy access whilst travelling
- Tailored to an individual client with Policy number and client's company name saved in the app once downloaded
- Clients are reminded to contact their insurance brokers for all matter regarding their policy.

Search 'Solution Assistance' in the App Store of Google Play and download for free!
